PIN 375766, D041727  
MAPLEWOOD RD OVER TRIB TO CAYUGA LAKE CULVERT REHAB  
TOWN OF ULYSSES, TOMPKINS COUNTY, BRIDGE NY 2023

Dear Ms. Olson:

Enclosed are four copies of the Master Agreement for the above-mentioned project.

Due to the extensive processing time, **please return three entire copies of the master agreement and resolution, each with original signatures**, as soon as possible.

If you have any questions or concerns about the enclosed agreement, please contact Matt Kelly at (315) 428-4412.

Very truly yours,

David N. Roth  
Director, Planning & Program Management Group

**SAMPLE BRIDGE NY RESOLUTION BY MUNICIPALITY**  
**(Culvert Project – Municipality Administered)**  
**RESOLUTION NUMBER: \_\_\_\_\_**

**Authorizing the implementation and funding of 100% of the costs of a transportation project, of which qualified costs may be reimbursed from Bridge NY funds.**

WHEREAS, a project for the MAPLEWOOD RD OVER TRIB TO CAYUGA LAKE CULVERT REHAB, TOWN OF ULYSSES, TOMPKINS COUNTY, BRIDGE NY 2023, P.I.N. 375766 (the "Project") is eligible for reimbursement of qualified costs from Bridge NY funding that calls for the post-reimbursement apportionment of the qualified costs to be borne at the ratio of 100 % Bridge NY funds and 0 % non-Bridge NY funds; and

WHEREAS, the Town of Ulysses will design, let, and administer all phases of the Project.

WHEREAS, the Town of Ulysses desires to advance the Project by making a commitment of 100% of the costs of Engineering, ROW and Construction work for the Project or portions thereof.

NOW, THEREFORE, the Town of Ulysses Board, duly convened does hereby

RESOLVE, that the Town of Ulysses Board hereby approves the Project; and it is hereby further

RESOLVED, that the Town of Ulysses Board hereby authorizes the Town of Ulysses to pay 100% of the cost of Engineering, ROW and Construction work for the Project or portions thereof, with the understanding that qualified costs will be reimbursed from Bridge NY funding; and it is further

RESOLVED, that the sum of \$895,500 is hereby appropriated from \_\_\_\_\_ [or, appropriated pursuant to \_\_\_\_\_] and made available to cover the cost of participation in the above phase of the Project; and it is further

RESOLVED, that the Town of Ulysses BOARD hereby agrees that the Town of Ulysses shall be responsible for all costs of the Project, including costs which exceed the amount of reimbursement available from the NY Bridge Funding awarded to the Town of Ulysses; and it is further

RESOLVED, that in the event the costs of the Project exceed the amount appropriated above, the Town of Ulysses Board shall convene as soon as possible to appropriate said excess amount immediately upon the notification by the \_\_\_\_\_ thereof, and it is further

RESOLVED, that the Town of Ulysses BOARD hereby agrees that Town of Ulysses hereby commits that construction of the Project shall begin no later than twenty-four (24) months after award and the construction phase of the Project shall be completed within thirty (30) months; and it is further

RESOLVED, that the Supervisor of the Town of Ulysses be and is hereby authorized to execute all necessary agreements, certifications or reimbursement requests with NYSDOT for State Aid and/or Bridge NY funding on behalf of the Town of Ulysses in connection with the advancement or approval of the Project and providing for the administration of the Project and the municipality's funding of the Project costs, and it is further

RESOLVED, that the Town of Ulysses will be responsible for all maintenance of the Project; and it is further

RESOLVED, that a certified copy of this resolution be filed with the New York State Commissioner of Transportation by attaching it to any necessary Agreement in connection with the Project; and it is further

RESOLVED, this Resolution shall take effect immediately.

## BridgeNY Culvert Local Project Agreement

CONTRACT NO. **D041727**

This Agreement is by and between:

the New York State Department of Transportation ("NYSDOT"), having its principal office at  
50 Wolf Road, Albany, NY 12232, on behalf of New York State ("State");

and the **Town of Ulysses** (the "Municipality/Sponsor")  
with its office at **10 Elm Street, Trumansburg, NY 14886**.

This Agreement identifies the party responsible for administration and establishes the method or provision for funding of applicable phases of a BridgeNY State aid project for the improvement or replacement of a culvert, not on the State highway system, as such project and phases are more fully described by Schedule A annexed to this Agreement. The phases that are potentially the subject of this Agreement, as further enumerated, are: Preliminary Engineering ("PE") and Right-of-Way Incidental ("ROW Incidentals") work; Right-of-Way Acquisition; and Construction, Construction Supervision and/or Construction Inspection. The project shall be identified for the purposes of this Agreement as **MAPLEWOOD RD OVER TRIB TO CAYUGA LAKE CULVERT REHAB, TOWN OF ULYSSES, TOMPKINS COUNTY, BRIDGE NY 2023** (as more specifically described in such Schedule A, the "Project").

### WITNESSETH:

WHEREAS, project eligibility for the BridgeNY Program, and other State Aid Program funds is determined by NYSDOT; and

WHEREAS, under related authorizations, NYSDOT and the Municipality/Sponsor are desirous of progressing the Project under State Aid Programs; and

WHEREAS, under New York General Municipal Law § 99-r, the governing board of any municipal corporation may contract with NYSDOT for services and work including design and construction of the nature contemplated by the Project; and

WHEREAS, The Legislative Body of the Municipality/Sponsor by Resolution No. \_\_\_\_\_, adopted at meeting held on \_\_\_\_\_, approved the Project, and

WHEREAS, the Municipality/Sponsor has appropriated necessary funds in connection with any Municipal/Sponsor share identified in Schedule A; and

WHEREAS, the Municipality/Sponsor has further authorized the **Supervisor** of the Municipality/Sponsor to execute this Agreement and the applicable Schedule A on behalf of the Municipality/Sponsor and a copy of such Resolution(s) is attached to and made a part of this Agreement (where New York City is the Municipality/Sponsor, such resolution is not required).

NOW, THEREFORE, the parties agree as follows:

1. *Documents Forming this Agreement.* The Agreement consists of the following:

- Agreement Form - This document titled "BridgeNY Culvert Local Project Agreement";
- Schedule "A" - Description of Project Phase, Funding and Deposit Requirements.
- Schedule "B" - Phases, Subphase/Tasks, and Allocation of Responsibility.
- Appendix "A" - Standard Clauses for New York State Contracts.
- Appendix "A-1" - Supplemental Title VI Provisions (Civil Rights Act).
- Appendix "B" - Minority and Women-Owned Business Enterprises(M/WBE)-Service Disabled Veteran Owned Businesses(SDVOB) – Equal Employment Opportunity(EEO) Policy Statement.
- Municipal/Sponsor Resolution(s) - duly adopted Municipal/Sponsor resolution(s) authorizing the appropriate Municipal/Sponsor official to execute this Agreement on behalf of the Municipality/Sponsor and appropriating or otherwise providing the Project funding required therefor. (Where New York City is the Municipality/Sponsor, such resolution is not required).

**\*Note – Resolutions for BridgeNY projects must also include an express commitment by the Municipality/Sponsor that construction shall commence no later than twenty-four (24) months after award, and the project must be completed within thirty (30) months of commencing construction. Award is defined as an executed Federal Aid Agreement, approved by the Office of the State Comptroller.**

1.1 Within Appendix A-1, the term "Contractor" herein refers to any party other than the State, whether a **Municipality/Sponsor**, contractor, licensor, licensee, lessor, lessee, or any other party to this Project Agreement, or a subcontractor to any party other than the State.

2. *General Description of Work and Responsibility for Administration and Performance.* Subject to the allocations of responsibility for administration and performance thereof as shown in Schedule B (attached), the work of the Project may consist generally of the categories of work marked and described in Schedule B for the scope and phase in effect according to Schedule A or one or more Supplemental Schedule(s) A as may hereafter be executed and approved by the parties hereto as required for a State contract, and any additions or deletions made thereto by NYSDOT subsequent to the development of such Schedule(s) A for the purposes of conforming to New York State or to Federal Highway Administration requirements or standards, including but not limited to compliance with 28 CFR 35.105 which requires a Municipality/Sponsor employing 50 or more persons to prepare a Transition plan addressing compliance with the Americans with Disabilities Act (ADA).

The Municipality/Sponsor understands that funding is contingent upon the Municipality/Sponsor's compliance with the applicable requirements of the "Local Projects Manual (LPM" formerly known as the "Procedures for Locally Administered Federal Aid Projects (PLAFAP)" Manual (available through NYSDOT's web site at <https://www.dot.ny.gov/plafap>, and as such may be amended from time to time.

3. *Municipal/Sponsor Deposit.* Where the work is performed by consultant or construction contract entered into by NYSDOT, or by NYSDOT forces, the Municipality/Sponsor shall deposit with the State Comptroller through NYSDOT prior to the award of NYSDOT's contract or NYSDOT's performance of work by its own forces, the full amount of the Project costs due in accordance with Schedule A.

4. *Payment or Reimbursement of Costs.* For work performed by NYSDOT, NYSDOT will directly apply the required Municipality/Sponsor Deposit and, if applicable, shall request Office of the New York State Comptroller (OSC) funding of State aid to the Municipality/Sponsor as described below. For work performed by or through the Municipality/Sponsor, NYSDOT will reimburse the Municipality/Sponsor up to the amount of the Municipality/Sponsor's award of BridgeNY State aid as described below.

NYSDOT will periodically make reimbursements upon request and certification by the Sponsor. The frequency of reimbursement requests must be in conformance with that stipulated in the NYSDOT Standard Specifications; (§109-06, *Contract Payment*). NYSDOT recommends that reimbursement requests not be submitted more frequently than monthly. In all cases, reimbursement requests must be submitted at least once every six months. A Sponsor's reimbursement requests are restricted to eligible project costs. To be classified as an "eligible project cost", in addition to other requirements of this Agreement, the original expenditure must have been paid within the past 15 months in order to comply with Federal Tax Law and IRS Regulations (26 CFR 1.150-2 (d)(2)(i)), which governs fund disbursements from the issuance of tax-exempt bonds. Expenditures paid greater than 15 months prior to the reimbursement request are ineligible for reimbursement.

4.1 *State aid.* Subject to compliance with this Agreement, NYSDOT shall authorize reimbursement of eligible individual Project costs identified in the applicable Schedule A. Contractor obligations or expenditures that precede the start date of this Agreement shall not be reimbursed. To be eligible for State aid, project costs must be for work which, when completed, has a certifiable service life of at least 50 years for culvert replacements, or at least 10 years for culvert relining.

4.2 *State aid Eligible Project Costs.* Eligible Project costs include costs of acquisition, construction, repair, reconstruction, renovation, equipment and other related costs as set forth in the Project Description in Schedule A or Supplements to Schedule A. Eligible Project costs may also include the reimbursement of salaries and wages to employees of Sponsor for carrying out the Project(s); fees to consultants and professionals retained by Sponsor for planning and performing the Project, and such other costs and expenses directly related to such employees, consultants and professionals for the Project.

4.3 In no event shall the State be obligated to fund or reimburse any costs exceeding the "State Share" provided in Schedule A.

4.4 All items included by the Municipality/Sponsor in the record of costs shall be in conformity with accounting procedures acceptable to NYSDOT and the FHWA. Such items shall be subject to audit by the State, the federal government or their representatives.

4.5 If Project-related work is performed by NYSDOT, NYSDOT will be paid for the full costs thereof. To this end, the reimbursement to the Municipality/Sponsor provided for in section 4.1 above may be reduced by NYSDOT if necessary.

4.6 Municipalities/Sponsor's may not use BridgeNY funds to substitute for the local match to a federally-aided project.

MUNICIPALITY/SPONSOR: **Town of Ulysses**

PROJECT ID NUMBER: **3757.66**

PHASE: PER SCHEDULES A

5. *Supplemental Agreements and Supplemental Schedule(s)* Supplemental Agreements or Supplemental Schedule(s) may be entered into by the parties and must be executed and approved in the manner required for a State contract. A Supplemental Schedule is defined as a Supplemental Agreement which revises only the Schedule A of a prior Agreement or Supplemental Agreement. In the event Project cost estimates increase over the amounts provided for in Schedule A, no additional reimbursement shall be due to the Municipality/Sponsor unless the parties enter into a Supplemental Agreement or Supplemental Schedule A for reimbursement of additional Eligible Project Costs.

6. *State Recovery of Ineligible Reimbursements.* NYSDOT shall be entitled to recover from the Municipality/Sponsor any monies paid to the Municipality/Sponsor pursuant to this Agreement which are subsequently determined to be ineligible for State aid hereunder. In the event the Municipality/Sponsor withdraws the project, suspends or delays work on the Project, fails to adequately or expediently progress the Project, or takes other action that results in the loss of the Municipality/Sponsor's participation or eligibility, the Municipality/Sponsor shall refund to the State all reimbursements or payments received from the State, and the Municipality/Sponsor shall reimburse the State for 100% of all costs incurred by NYSDOT. To satisfy the refund, the State or NYSDOT may offset any other State or Federal aid owed, or may otherwise come due, to the Municipality/Sponsor.

7. *Municipal/Sponsor Liability.*

7.1 If the Municipality/Sponsor performs work under this Agreement with its own forces, it shall be responsible for all damage to person or property arising from any act or negligence performed by or on behalf of the Municipality/Sponsor, its officers, agents, servants or employees, contractors, subcontractors or others in connection therewith. The Municipality/Sponsor specifically agrees that its agents or employees shall possess the experience, knowledge and character necessary to qualify them individually for the particular duties they perform.

7.2 To the fullest extent permitted by law, the Municipality/Sponsor shall indemnify and save harmless the State for all damages and costs arising out of any claims, suits, actions, or proceedings resulting from the negligent performance of work by or on behalf of the Municipality/Sponsor, its officers, agents, servants, employees, contractors, subcontractors or others under this Agreement. Negligent performance of service, within the meaning of this section, shall include, in addition to negligence founded upon tort, negligence based upon the failure of the Municipality/Sponsor or its officers, agents, servants, employees, contractors, subcontractors or others to meet professional standards resulting in obvious or patent errors in the progression of its work. Additionally, the Municipality/Sponsor shall defend the State in any action arising out of any claims, suits, actions, or proceedings resulting from the negligent performance of work by or on behalf of the Municipality/Sponsor, its officers, agents, servants, employees, contractors, subcontractors or others under this Agreement.

7.3 The Municipality/Sponsor shall at all times during the Contract term remain responsible. The Municipality/Sponsor agrees, if requested by the Commissioner of Transportation or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

7.4 The Municipality/Sponsor shall at all times during the Contract term remain responsible. The Municipality/Sponsor agrees, if requested by the Commissioner of Transportation or his or

MUNICIPALITY/SPONSOR: **Town of Ulysses**

PROJECT ID NUMBER: **3757.66**

PHASE: PER SCHEDULES A

her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The Commissioner of Transportation or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Municipality/Sponsor or the Municipality/Sponsor's officers, agents, servants, employees, contractors, or subcontractors. In the event of such suspension, the Municipality/Sponsor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Municipality/Sponsor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of Transportation or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

7.3 Upon written notice to the Municipality/Sponsor, and a reasonable opportunity to be heard with appropriate NYSDOT officials or staff, the Contract may be terminated by the Commissioner of Transportation or his or her designee at the Municipality's/Sponsor's expense where the Municipality/Sponsor is determined by the Commissioner of Transportation or his or

her designee to be non-responsible. In such event, the Commissioner of Transportation or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

8. *Maintenance.* The Municipality/Sponsor shall be responsible for the maintenance of the project at the sole cost and expense of the Municipality/Sponsor. If the Municipality/Sponsor intends to have the project maintained by another entity, any necessary maintenance agreement will be executed and submitted to NYSDOT before construction of the Project is begun. Upon its completion, the Municipality/Sponsor will operate and maintain the Project at no expense to NYSDOT; and during the useful life of the Project, the Municipality/Sponsor shall not discontinue operation and maintenance of the Project, nor dispose of the Project, unless it receives prior written approval to do so from NYSDOT.

8.1 The Municipality/Sponsor may request such approved disposition from NYSDOT where the Municipality/Sponsor either causes the purchaser or transferee to assume the Municipality/Sponsor's continuing obligations under this Agreement, or agrees immediately to reimburse NYSDOT for the pro-rata share of the funds received for the project, plus any direct costs incurred by NYSDOT, over the remaining useful life of the Project.

8.2 If a Municipality/Sponsor fails to obtain prior written approval from NYSDOT before discontinuing operation and maintenance of the Project or before disposing of the project, in addition to the costs provided, above in 8.1, Municipality/Sponsor shall be liable for liquidated damages for indirect costs incurred by NYSDOT in the amount of 5% of the total funding provided through NYSDOT.

8.3 For NYSDOT-administered projects, NYSDOT is responsible for maintenance only during the NYSDOT-administered construction phase. Upon completion of the construction phase, the Municipality/Sponsor's maintenance obligations start or resume.

9. *Independent Contractor.* The officers and employees of the Municipality/Sponsor, in accordance with the status of the Municipality/Sponsor as an independent contractor, covenant and agree that they will conduct themselves consistent with such status, that they will neither hold themselves out as, nor claim to be, an officer or employee of the State by reason hereof, and that they will not by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee

MUNICIPALITY/SPONSOR: **Town of Ulysses**

PROJECT ID NUMBER: **3757.66**

PHASE: PER SCHEDULES A

of the State, including, but not limited to, Workers Compensation coverage, Unemployment Insurance benefits, Social Security or Retirement membership or credit.

10. *Contract Executory.*

10.1 This Agreement shall be deemed executory only to the extent of the monies available to the State for its performance and no liability on account thereof shall be incurred by the State beyond monies available therefor.

10.2 This Agreement shall remain in effect so long as State funding authorizations are in effect and funds are made available pursuant to the laws controlling such authorizations and availabilities. However, if such authorizations or availabilities lapse and are not renewed, continued or reenacted, as to funds encumbered or available and to the extent of such encumbrances or availabilities, this Agreement shall remain in effect for the duration of such encumbrances or availabilities. Although the liquidity of encumbrances or the availability of funds may be affected by budgetary hiatuses, a State budgetary hiatus will not by itself be construed to lapse this Agreement, provided any necessary State appropriations or other funding authorizations are enacted. **Municipality/Sponsor's** continued performance during such a budgetary hiatus cannot, by itself, obligate the State to making expenditures without appropriations.

11. *No Assignment or Other Disposition of Agreement.* The Municipality/Sponsor agrees not to assign, transfer, convey, sublet or otherwise dispose of this Agreement or any part thereof, or of its right, title or interest therein, or its power to execute such Agreement to any entity, public or private, without the previous written consent of NYSDOT first having been obtained.

12. *Term of Agreement.* The Project phase(s) and Term are identified in Schedule(s) A executed herewith and incorporated herein or as subsequently identified in any duly executed and approved supplemental Schedule(s) A as of the date of such supplemental Schedule(s) A. This Agreement shall remain in effect so long as applicable funding authorizations are in effect and funds are made available pursuant to the laws controlling such authorizations and availabilities.

**12.1 Time is of the essence. The Municipality/Sponsor understands that construction of BridgeNY Projects must commence no later than twenty-four (24) months after award, and the project must be completed within thirty (30) months of commencing construction. Award is defined as an executed BridgeNY Agreement approved by the Office of the State Comptroller.**

13. *NYSDOT Obligations.* NYSDOT's responsibilities and obligations are as specifically set forth in this agreement, and neither NYSDOT nor any of its officers or employees shall be responsible or liable, nor shall the Municipality/Sponsor assert, make or join in any claim or demand against NYSDOT, its officers or employees, for any damages or other relief based on any alleged failure of NYSDOT, its officers or employees, to undertake or perform any act, or for undertaking or performing any act, which is not specifically required or prohibited by this Agreement.

14. *Ethics Considerations.* In addition to Municipality's/Sponsor's conforming with the applicable provisions of Public Officers Law §73 (Business or Professional Activities by State Officers and Employees and Party Officers) and General Municipal Law §806 (Code of Ethics) as related to the expenditure of the Program Funding made hereunder, no member of Municipality's/Sponsor's governing body, its officers or employees, or any member of the Board of Directors or staff, nor any member of their families shall benefit financially either directly or indirectly from the Program Funding unless such action is otherwise in accordance with law and is necessary for the accomplishment of the Project. In such

MUNICIPALITY/SPONSOR: **Town of Ulysses**

PROJECT ID NUMBER: **3757.66**

PHASE: PER SCHEDULES A

event, Municipality/Sponsor shall disclose such relationship to NYSDOT and shall obtain prior written approval therefor from NYSDOT.

15. *Reporting Requirements.* The Municipality/Sponsor agrees to comply with and submit to NYSDOT in a timely manner all applicable reports required under the provisions of this Agreement and in accordance with current Federal and State laws, rules, and regulations.

16. *NYSDOT Performance Review.* NYSDOT may review the Municipality's/Sponsor's performance of this Agreement in such manner and at such times as NYSDOT shall determine, and such review may include field visits by NYSDOT representatives to the Project and/or the offices of Municipality/Sponsor. Municipality/Sponsor shall at all times make available its employees, records and facilities to authorized NYSDOT representatives in connection with any such review. Such review shall be for the purpose, among other things, of ascertaining the quality and quantity of Municipality's/Sponsor's performance of the Project, its use and operation.

17. *Electronic Contract Payments.* Municipality/Sponsor shall provide complete and accurate supporting documentation of eligible local expenditures as required by this Agreement, NYSDOT and the State Comptroller. Following NYSDOT approval of such supporting documentation, payment for invoices submitted by the Municipality/Sponsor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary State procedures and practices from the Statewide Financial System (SFS). The Municipality/Sponsor shall comply with the State Comptroller's procedures for all applicable State Aid to authorize electronic payments. Instructions and authorization forms are available on the New York State Comptroller's website at <https://www.osc.state.ny.us/state-vendors> or by email at [epunit@osc.state.ny.us](mailto:epunit@osc.state.ny.us).

18. *Compliance with Legal Requirements.* Municipality/Sponsor must comply with all applicable federal, state and local laws, rules and regulations, including but not limited to the following:

18.1 *New York State Executive Law Article 15-A, Participation by Minority Group members and Women with Respect to State Contracts and New York State Executive Law Article 17-B, Participation by Service-Disabled Veterans with Respect to State Contracts*, including requirements relating to equal employment opportunity, and utilization goals and contracting opportunities for minority and women-owned business enterprises and service-disabled veteran owned business, without additional cost to NYSDOT.

18.1.1 *EEO Policy Statement.* Pursuant to 5 NYCRR §143.2, a Municipality/Sponsor shall adopt an EEO policy if one is not previously adopted, as provided in Appendix B, and submit to NYSDOT a signed copy of Appendix B.

18.1.2 *Minority-owned and Women-owned Business Enterprise (M/WBE) and Service-Disabled Veteran Owned Business (SDVOB) Goals.* Municipality/Sponsor must comply with all M/WBE and SDVOB requirements and goals stated within the provisions of Appendix B, titled, "Minority and Women-owned Business Enterprises-Service-Disabled Veteran Owned Business – Equal Employment Opportunity Policy Statement".

18.1.3 *M/WBE and SDVOB Guidance.* Refer to the New York State Department of Transportation website and Appendix B for guidance related to M/WBE and SDVOB goals at [www.dot.ny.gov/main/business-center/civil-rights/](http://www.dot.ny.gov/main/business-center/civil-rights/).

Assigned M/WBE and SDVOB goals must be included in the Municipality's/Sponsor's proposed contract documents when submitted for NYSDOT approval prior to project advertisement. Any

requests for a reduction or waiver of the goals must be submitted at that time so that the correct goals are included in the project advertisement.

18.1.4 *Good Faith Efforts.* If a Municipality/Sponsor fails to meet the M/WBE or SDVOB requirements set forth in Appendix B, they must demonstrate Good Faith Efforts pursuant to 5 NYCRR §142.8.

18.1.5 *M/WBE and SDVOB Compliance Reports.* The Municipality/Sponsor shall require their consultants and contractors to submit electronic, monthly M/WBE and SDVOB compliance reports via NYSDOT's Civil Rights Reporting Software, Equitable Business Enterprise (EBO), on or before the 15<sup>th</sup> day of the immediately preceding month. The Municipality/Sponsor must apply for access to EBO at the following website: [www.dot.ny.gov/dotapp/ebo](http://www.dot.ny.gov/dotapp/ebo).

18.1.6 *Failure to Comply.* If the Sponsor fails to monitor and administer contracts in accordance with State requirements, the Sponsor will not be reimbursed for associated activities within the affected contracts. The Sponsor must ensure that any contract it awards under this Agreement has a Minority-owned and Women-owned Business Enterprise (M/WBE) and a Service-Disabled Veteran Owned Business (SDVOB) Utilization Plan and complies with such plans. If, without prior written approval by NYSDOT, the Sponsor's contractors and subcontractors fail to complete work for the project as proposed in the M/WBE and SDVOB Schedule of Utilization, NYSDOT at its discretion may (1) cancel, terminate or suspend this Agreement or such portion of this Agreement, or (2) assess liquidated damages in an amount of up to 20% of the portion of the Sponsor's contracts and subcontracts, funded in whole or in part by this Agreement, to which contract goals are established in accordance with NYSDOT guidance.

18.1.7 *Equal Employment Opportunity (EEO) Requirements.* EEO goals (as provided in the "Local Projects Manual"), EEO Policy Statement (as provided in "Appendix B – M/WBE-SDVOB and EEO Policy Statements") and specifications (as provided in NYSDOT's *Standard Specifications §102-11 Equal Employment Opportunity Requirements*) must be included in the contract documents and project advertisement.

[www.dot.ny.gov/main/business-center/engineering/specifications/updated-standard-specifications-us](http://www.dot.ny.gov/main/business-center/engineering/specifications/updated-standard-specifications-us)

18.1.8 *EEO Monitoring and Reporting.* EEO participation shall be monitored by the Municipality/Sponsor as the project progresses. EEO participation shall be reported by the contractor through NYSDOT's civil rights reporting software, EBO.

18.2 [New York State Environmental Law, Article 6, the State Smart Growth Public Infrastructure Policy Act](#), including providing true, timely and accurate information relating to the project to ensure compliance with the Act, accessible at [www.dot.ny.gov/programs/smart-planning/smartgrowth-law](http://www.dot.ny.gov/programs/smart-planning/smartgrowth-law).

19. *Compliance with Procedural Requirements.* The Municipality/Sponsor understands that funding is contingent upon the Municipality's/Sponsor's compliance with the requirements stated in the applicable BridgeNY – Notice of Funding Availability and guidance connected thereto.

Locally-administered BridgeNY transportation projects shall be constructed in accordance with the current version of NYSDOT Standard Specifications and NYSDOT-approved Special Specifications. (Cities with a population of 3 million or more may pursue approval of their own construction specifications and procedures on a project by project basis).

20. *Extended Records Retention Requirements.*

20.1 To ensure that NYSDOT meets certain strict requirements under the 26 CFR Part 1.150-2(d)(2)(i) - (d)(2)(iii) and to ensure that NYSDOT may authorize the use of funds for this project, the Sponsor must retain the following documents in connection with the Projects:

- a. Documents evidencing the specific assets financed with such proceeds, including but not limited to project costs, and documents evidencing the use and ownership of the property constructed, improved, or related to this Agreement, as provide in Schedule B; and
- b. Documents, if any, evidencing the sale or other disposition of the financed property.

20.2 Notwithstanding any other provision of this contract to the contrary, the Sponsor covenants to retain those records described above, for **thirty-six (36) years** per the 26 CFR Part 1.150-2(d)(2)(i) - (d)(2)(iii) after the date of NYSDOT's final payment of the eligible project cost(s).

20.3 Failure to maintain such records in a manner that ensures complete access thereto, for the period described above, shall constitute a material breach of the contract and may, at the discretion of NYSDOT, result in loss of funds allocated, or the Sponsor's repayment of funds distributed, to the Sponsor under this Agreement.

21. *Notice Requirements.*

21.1 All notices permitted or required hereunder shall be in writing and shall be transmitted:

- (a) Via certified or registered United States mail, return receipt requested;
- (b) By personal delivery;
- (c) By expedited delivery service; or
- (d) By e-mail; or
- (e) By facsimile transmission.

21.2 For all BridgeNY Culvert Local Project Agreement purposes, such notices shall be addressed by the Municipality/Sponsor to the officially designated Regional Local Project Liaison (RLPL) and, by NYSDOT, to the officially designated Primary Municipality/Sponsor's Contact, or to such different parties and addresses as the parties from time-to-time mutually agree to designate. The parties herein agree to exchange such contact information above which shall include Organization Name, Individual Name & Title, Mailing address, Telephone number and E-mail address as noted below.

21.3 Any such notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States Mail, as of the date of first attempted delivery at the address and in the manner provided herein, or email, upon receipt.

21.4 The parties may, from time to time, specify any new or different address in the United States as their address for purpose of receiving notice under this Agreement by giving fifteen (15) days written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under this Agreement. Additional individuals may be designated in writing by the parties for purposes of implementation and administration/billing, resolving issues and problems and/or for dispute resolution.

Such notices shall be addressed as follows or to such different addresses as the parties may from time-to-time designate:

**New York State Department of Transportation (NYSDOT)**

## SCHEDULE B: Phases, Sub-phase/Tasks, and Allocation of Responsibility

**Instructions:** Identify the responsibility for each applicable Sub-phase task by entering X in either the *NYSDOT* column to allocate the task to State labor forces or a State Contract, or in the *Sponsor* column indicating non-State labor forces or a locally administered contract.

### A1. Preliminary Engineering ("PE") Phase

| <u>Phase/Sub-phase/Task</u>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | <u>Responsibility: NYSDOT Sponsor</u> |                                     |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------|-------------------------------------|
| 1. <u>Scoping</u> : Prepare and distribute all required project reports, including an Expanded Project Proposal (EPP) or Scoping Summary Memorandum (SSM), as appropriate.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 2. Perform data collection and analysis for design, including traffic counts and forecasts, accident data, Smart Growth checklist, land use and development analysis and forecasts.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 3. Smart Growth Attestation (NYSDOT ONLY).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 4. <u>Preliminary Design</u> : Prepare and distribute Design Report/Design Approval Document (DAD), including environmental analysis/assessments, and other reports required to demonstrate the completion of specific design sub-phases or tasks and/or to secure the approval/authorization to proceed.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 5. Review and Circulate all project reports, plans, and other project data to obtain the necessary review, approval, and/or other input and actions required of other NYSDOT units and external agencies.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 6. Obtain aerial photography and photogrammetric mapping.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 7. Perform all surveys for mapping and design.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 8. <u>Detailed Design</u> : Perform all project design, including preparation of plan sheets, cross-sections, profiles, detail sheets, specialty items, shop drawings, and other items required in accordance with the Highway Design Manual, including all Highway Design, including pavement evaluations, including taking and analyzing cores; design of Pavement mixes and applications procedures; preparation of bridge site data package, if necessary, and all Structural Design, including hydraulic analyses, if necessary, foundation design, and all design of highway appurtenances and systems [e.g., Signals, Intelligent Transportation System (ITS) facilities], and maintenance protection of traffic plans. Federal Railroad Administration (FRA) criteria will apply to rail work. | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 9. Perform landscape design (including erosion control).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 10. Design environmental mitigation, where appropriate, in connection with: Noise readings, projections, air quality monitoring, emissions projections, hazardous waste, asbestos, determination of need of cultural resources survey.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |

| <b><u>Phase/Sub-phase/Task</u></b>                                                                                                                                                                                                                                                                                                                                                    | <b>Responsibility: <u>NYSDOT</u> <u>Sponsor</u></b> |                                     |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------|-------------------------------------|
| 11. Prepare demolition contracts, utility relocation plans/contracts, and any other plans and/or contract documents required to advance, separate, any portions of the project which may be more appropriately progressed separately and independently.                                                                                                                               | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 12. Compile PS&E package, including all plans, proposals, specifications, estimates, notes, special contract requirements, and any other contract documents necessary to advance the project to construction.                                                                                                                                                                         | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 13. Conduct any required soils and other geological investigations.                                                                                                                                                                                                                                                                                                                   | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 14. Obtain utility information, including identifying the locations and types of utilities within the project area, the ownership of these utilities, and prepare utility relocations plans and agreements, including completion of Form HC-140, titled Preliminary Utility Work Agreement.                                                                                           | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 15. Determine the need and apply for any required permits, including U.S. Coast Guard, U.S. Army Corps of Engineers, Wetlands (including identification and delineation of wetlands), SPDES, NYSDOT Highway Work Permits, and any permits or other approvals required to comply with local laws, such as zoning ordinances, historic districts, tax assessment and special districts. | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 16. Prepare and execute any required agreements, including: <ul style="list-style-type: none"> <li>- Railroad force account</li> <li>- Maintenance agreements for sidewalks, lighting, signals, betterments</li> <li>- Betterment Agreements</li> <li>- Utility Work Agreements for any necessary Utility Relocations of Privately owned Utilities</li> </ul>                         | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 17. Provide overall supervision/oversight of design to assure conformity with Federal and State design standards or conditions, including final approval of PS&E (Contract Bid Documents) by NYSDOT.                                                                                                                                                                                  | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |

## **A2. Right-of-Way (ROW) Incidentals**

| <b><u>Phase/Sub-phase/Task</u></b>                                                       | <b>Responsibility: <u>NYSDOT</u> <u>Sponsor</u></b> |                                     |
|------------------------------------------------------------------------------------------|-----------------------------------------------------|-------------------------------------|
| 1. Prepare ARM or other mapping, showing preliminary taking lines.                       | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 2. ROW mapping and any necessary ROW relocation plans.                                   | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 3. Obtain abstracts of title and certify those having an interest in ROW to be acquired. | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 4. Secure Appraisals.                                                                    | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 5. Perform Appraisal Review and establish an amount representing just compensation.      | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |

| <u>Phase/Sub-phase/Task</u>                                                                                                                                                                                                                                                                                                                                                                             | <u>Responsibility: NYSDOT Sponsor</u> |                                     |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------|-------------------------------------|
| 6. Determination of exemption from public hearing that is otherwise required by the Eminent Domain Procedure Law, including <i>de minimis</i> determination, as may be applicable. <b>If NYSDOT is responsible for acquiring the right-of-way, this determination may be performed by NYSDOT only if NYSDOT is responsible for the Preliminary Engineering Phase under Phase A1 of this Schedule B.</b> | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 7. Conduct any public hearings and/or informational meetings as may be required by the Eminent Domain Procedures Law, including the provision of stenographic services, preparation and distribution of transcripts, and response to issues raised at such meetings.                                                                                                                                    | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |

## **B. Right-of-Way (ROW) Acquisition**

| <u>Phase/Sub-phase/Task</u>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | <u>Responsibility: NYSDOT Sponsor</u> |                                     |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------|-------------------------------------|
| 1. Perform all Right-of-Way (ROW) Acquisition work, including negotiations with property owners, acquisition of properties and accompanying legal work, payments to and/or deposits on behalf of property owners; Prepare, publish, and pay for any required legal notices; and all other actions necessary to secure title to, possession of, and entry to required properties. <b>If NYSDOT is to acquire property, including property described as an uneconomic remainder, on behalf of the Municipality/Sponsor, the Municipality/Sponsor agrees to accept and take title to any and all permanent property rights so acquired which form a part of the completed Project.</b> | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 2. Provide required relocation assistance, including payment of moving expenses, replacement supplements, mortgage interest differentials, closing costs, mortgage prepayment fees.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 3. Conduct eminent domain proceedings, court and any other legal actions required to acquire properties.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 4. Monitor all ROW Acquisition work and activities, including review and processing of payments of property owners.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 5. Provide official certification that all right-of-way required for the construction has been acquired in compliance with applicable Federal, State or Local requirements and is available for use and/or making projections of when such property(ies) will be available if such properties are not in hand at the time of contract award.                                                                                                                                                                                                                                                                                                                                        | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 6. Conduct any property management activities, including establishment and collecting rents, building maintenance and repairs, and any other activities necessary to sustain properties and/or tenants until the sites are vacated, demolished, or otherwise used for the construction project.                                                                                                                                                                                                                                                                                                                                                                                     | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |
| 7. Subsequent to completion of the Project, conduct ongoing property management activities in a manner consistent with applicable Federal, State and Local requirements including, as applicable, the development of any ancillary uses, establishment and collection of rent, property maintenance and any other related activities.                                                                                                                                                                                                                                                                                                                                               | <input type="checkbox"/>              | <input checked="" type="checkbox"/> |

**C. Construction, Construction Support (C/S) and Construction Inspection (C/I) Phase**

| <b><u>Phase/Sub-phase/Task</u></b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | <b>Responsibility: <u>NYSDOT</u> <u>Sponsor</u></b> |                                     |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------|-------------------------------------|
| 1. Advertise contract lettings and distribute contract documents to prospective bidders.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 2. Conduct all contract lettings, including receipt, opening, and analysis of bids, evaluation/certification of bidders, notification of rejected bids/bidders, and awarding of the construction contract(s).                                                                                                                                                                                                                                                                                                                                                                                                                         | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 3. Receive and process bid deposits and verify any bidder's insurance and bond coverage that may be required.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 4. Compile and submit Contract Award Documentation Package.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 5. Review/approve any proposed subcontractors, vendors, or suppliers.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 6. Conduct and control all construction activities in accordance with the plans and proposal for the project. Maintain accurate, up-to-date project records and files, including all diaries and logs, to provide a detailed chronology of project construction activities. Procure or provide all materials, supplies and labor for the performance of the work on the project, and insure that the proper materials, equipment, human resources, methods and procedures are used.                                                                                                                                                   | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 7a. For non-NHS or non-State Highway System Projects: Test and accept materials, including review and approval for any requests for substitutions.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 7b. For NHS or State Highway System Projects: Inspection and approval of materials such as bituminous concrete, Portland cement concrete, structural steel, concrete structural elements and/or their components to be used in a federal aid project will be performed by, and according to the requirements of NYSDOT. The Municipality/Sponsor shall make or require provision for such materials inspection in any contract or subcontract that includes materials that are subject to inspection and approval in accordance with the applicable NYSDOT design and construction standards associated with the federal aid project. | <input type="checkbox"/>                            | <input type="checkbox"/>            |
| 7c. For projects that fall under both 7a and 7b above, check boxes for each.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                                     |                                     |
| 8. Design and/or re-design the project or any portion of the project that may be required because of conditions encountered during construction.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 9. Administer construction contract, including the review and approval of all contactor requests for payment, orders-on-contract, force account work, extensions of time, exceptions to the plans and specifications, substitutions or equivalents, and special specifications.                                                                                                                                                                                                                                                                                                                                                       | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 10. Review and approve all shop drawings, fabrication details, and other details of structural work.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |
| 11. Administer all construction contract claims, disputes or litigation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | <input type="checkbox"/>                            | <input checked="" type="checkbox"/> |

## **STANDARD CLAUSES FOR NYS CONTRACTS**

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

**1. EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

**2. NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

**3. COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

**4. WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

**5. NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

**6. WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in

accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

**7. NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

**8. INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

**9. SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

**10. RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records

must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

**11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.**

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

**12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.**

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not

apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

**13. CONFLICTING TERMS.** In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

**14. GOVERNING LAW.** This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

**15. LATE PAYMENT.** Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

**16. NO ARBITRATION.** Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

**17. SERVICE OF PROCESS.** In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

**18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS.** The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this

law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

**19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES.** In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

**20. OMNIBUS PROCUREMENT ACT OF 1992.** It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority- and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

Information on the availability of New York State subcontractors and suppliers is available from:

NYS Department of Economic Development  
Division for Small Business and Technology Development  
625 Broadway  
Albany, New York 12245  
Telephone: 518-292-5100

A directory of certified minority- and women-owned business enterprises is available from:

NYS Department of Economic Development  
Division of Minority and Women's Business Development  
633 Third Avenue 33rd Floor  
New York, NY 10017  
646-846-7364  
email: [mwbebusinessdev@esd.ny.gov](mailto:mwbebusinessdev@esd.ny.gov)  
<https://ny.newnycontracts.com/FrontEnd/searchcertifieddirectory.asp>

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

**21. RECIPROCITY AND SANCTIONS PROVISIONS.** Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

**22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.** Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

**23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.** If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

**24. PROCUREMENT LOBBYING.** To the extent this agreement is a “procurement contract” as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

**25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.**

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

**26. IRAN DIVESTMENT ACT.** By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

**27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT.** Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

## **APPENDIX A-1 SUPPLEMENTAL TITLE VI PROVISIONS (CIVIL RIGHTS ACT)**

(To be included in all contracts)

During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

- (1) Compliance with Regulations: The contractor shall comply with the Regulation relative to nondiscrimination in Federally assisted programs of the Department of Transportation of the United States, Title 49, Code of Federal Regulations, Part 21, and the Federal Highway Administration (hereinafter "FHWA") Title 23, Code of Federal Regulations, Part 200 as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
- (2) Nondiscrimination: The Contractor, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, religion, age, color, sex or national origin, sex, age, and disability/handicap in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor shall not participate either directly or indirectly in the discrimination prohibited by 49 CFR, section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.
- (3) Solicitations for Subcontractors, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin, sex, age, and disability/handicap.
- (4) Information and Reports: The contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by NYSDOT or the FHWA to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the contractor shall so certify to NYSDOT's Office of Civil Rights or FHWA, as appropriate, and shall set forth what efforts it has made to obtain the information.
- (5) Sanctions for Noncompliance: In the event of the contractor's noncompliance with the nondiscrimination provisions of this contract, NYSDOT shall impose such contract sanctions as it or the FHWA may determine to be appropriate, including, but not limited to:
  - a) Withholding of payments to the contractor under the contract until the contractor complies; and/or
  - b) Cancellation, termination or suspension of the contract, in whole or in part.
- (6) Incorporation of Provisions: The contractor shall include the provisions of paragraphs (1) through (6) in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.

The contractor shall take such action with respect to any subcontractor procurement as NYSDOT or the FHWA may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request NYSDOT to enter into such litigation to protect the interests of NYSDOT, and, in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

## APPENDIX B

### MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES-SERVICE DISABLED VETERAN OWNED BUSINESSES – EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT

#### M/WBE, SDVOB, AND EEO POLICY STATEMENT

I, \_\_\_\_\_, the representative for (Municipality/Sponsor/Grantee) adopted, or agree to adopt, the following policies with respect to the project being developed or services rendered at

\_\_\_\_\_  
(Insert project/service description)

#### **M/WBE/SDVOB**

This organization will and will cause its contractors and subcontractors to take good-faith actions to achieve the M/WBE/SDVOB contract participation goals set by the State for that area in which the State-funded project is located by taking the following steps:

- (1) Actively and affirmatively solicit bids for contracts and subcontracts from qualified State certified MBEs, WBEs, and SDVOBs, including solicitations to M/WBE and SDVOB contractor associations.
- (2) Obtain a list of State-certified M/WBEs from <https://ny.newnycontracts.com/> and solicit bids from them directly.
- (3) Obtain a list of State certified SDVOBs from <https://online.ogs.ny.gov/SDVOB/search> and solicit bids from them directly.
- (4) Ensure that plans, specifications, requests for proposals, and other documents used to secure bids will be made available in sufficient time for review by prospective M/WBEs and SDVOBs.
- (5) Where feasible, divide the work into smaller portions to enhanced participation by M/WBEs/SDVOBs and encourage joint ventures and other partnerships among M/WBE/SDVOBs contractors to enhance their participation.
- (6) Document and maintain records of bid solicitation, including those to M/WBEs/SDVOBs and the results thereof. This organization will also maintain records of actions that its subcontractors have taken toward meeting M/WBE/SDVOB contract participation goals.
- (7) Ensure that progress payments to M/WBEs/SDVOBs are made on a timely basis so that undue financial hardship is avoided and that, if legally permissible, bonding and other credit requirements are waived, appropriate alternatives developed to encourage M/WBE/SDVOB participation.

#### **EEO**

(a) This organization will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, or marital status, will undertake or continue existing programs of affirmative action to ensure that minority group members are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its workforce on state contracts.

(b) This organization shall state in all solicitation or advertisements for employees that in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, disability, or marital status.

(c) At the request of the Sponsor, this organization shall request each employment agency, labor union, or authorized representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such union or representative will affirmatively cooperate in the implementation of this organization's obligations herein.

(d) This organization shall comply with the provisions of the Human Rights Law, all other State, and Federal statutory and constitutional non-discrimination provisions. This organization and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status, or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

(e) This organization will include the provisions of sections (a) through (d) of this agreement in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the State contract.

Agreed to this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_

## APPENDIX B

\_\_\_\_\_ (Name of Designated Liaison) is designated as this organization's Minority and Women-Owned Business Enterprise Liaison and Service-Disabled Veteran Owned Business Liaison responsible for administering M/WBE/SDVOB-EEO program.

The Municipality/Sponsor/Grantee agrees that the Standard M/WBE and/or SDVOB Contract Goals for projects let and funded (in whole or in part) with proceeds of this Agreement (Contract # \_\_\_\_\_) are provided below.

### STANDARD CONTRACT GOALS

| CATEGORY/CONTRACT TYPE                                      | MBE    | WBE    | SDVOB |
|-------------------------------------------------------------|--------|--------|-------|
| C: Commodities                                              | 15.00% | 15.00% | 6.00% |
| CC: Construction Consultants<br>(Architectural/Engineering) | 13.00% | 13.00% | 6.00% |
| CN: Construction                                            | 7.00%  | 11.00% | 6.00% |
| SC: Services/Consultants<br>(Non-Architectural/Engineering) | 8.00%  | 18.00% | 6.00% |

These Standard Contract Goals are based on the New York State Department of Transportation's (NYSDOT's) Agency M/WBE and SDVOB Goal Plan as a result of programmatic analysis. The plans are available at: [FY24-25 M/WBE Goal Plan](#) and [NYSDOT 2024-2025 SDVOB Goal Plan](#). In furtherance of such goals, the Municipality/Sponsor/Grantee is also required to consider the following statutory factors in all related contracts executed by the Sponsor/Municipality/Grantee:

- (1) the contract and subcontract scope(s) of work,
- (2) the potential subcontract opportunities available in the prime contract,
- (3) the relevant availability data contained within the disparity study with respect to the scope of the contract and potential subcontracting opportunities,
- (4) the number and types of certified minority-owned and women-owned business enterprises (M/WBE) found in the directory of certified minority-owned and women-owned businesses available to perform the related contract work and the number and types of certified service-disabled veteran-owned businesses (SDVOB) found in the SDVOB directory available to perform the related contract work,
- (5) the geographic location of the contract performance,
- (6) the extent to which geography is material to the performance of the contract,
- (7) the ability of certified M/WBEs and SDVOBs located outside of the geographic location of contract performance, notwithstanding the regional location of the certified enterprise, to perform on the Municipality/Sponsor/Grantee's contract,
- (8) the total dollar value of the work required by the Municipality's/Sponsor's/Grantee's contract in relation to the dollar value of the subcontracting opportunities; and
- (9) the relationship of the monetary size and term of the Municipality's/Sponsor's/Grantee's contract to the monetary size and term of the project for which the contract is awarded (See 5 NYCRR 142.2 and 9 CRR-NY 252.2(h)).

**Pre-Advertisement:** As a result of Municipality's/Sponsor's/Grantee's analysis of the statutory factors in relation to a contract's work scope and circumstances, if the Municipality/Sponsor/Grantee believes a non-standard goal is appropriate and supportable, the Municipality/Sponsor/Grantee may obtain NYSDOT approval by submitting a M/WBE and/or SDVOB Pre-Advertisement Goal Modification Request, with justification, prior to public advertisement of the contract.

## APPENDIX B

**Pre-Award:** If the Municipality/Sponsor/Grantee receives proposals or bids that do not provide commitments that meet or exceed the advertised goals, the Municipality/Sponsor/Grantee must obtain NYSDOT approval by submitting a M/WBE and/or SDVOB Waiver Request *demonstrating the Contractor's Good Faith Efforts to meet the goals, along with supporting justification, prior to awarding the contract.*

**Post Award:** If any consultant/contractor fails to attain its M/WBE and/or SDVOB commitment on a contract, the Municipality/Sponsor/Grantee must obtain NYSDOT approval by submitting a M/WBE and/or SDVOB Waiver Request, *demonstrating Good Faith Efforts to meet the goals, along with supporting justification before NYSDOT will distribute final payment of grant proceeds.*

All forms referenced above are available at: <https://www.dot.ny.gov/main/business-center/civil-rights/>. Nothing stated within this or associated document(s) guarantees NYSDOT's approval of a goal modification or goal waiver.
