Re: Review Pursuant to §239 -l, -m and -n of New York State General Municipal Law

Proposed Action: Proposed minor subdivision located at 5230 Cold Springs Road, Tax Parcel #12.-4-19.2, Marvin and Allison Pritts, Owners; Town of Ulysses, Applicant.

Dear Niels Tygesen:

This letter acknowledges your referral of the proposed action identified above for review by the Tompkins County Department of Planning and Sustainability pursuant to §239 -l, -m and -n of the New York State General Municipal Law.

We have determined the proposed action will have no significant county-wide or inter-community impact.

We do, however, have the same comment we shared regarding the proposed area variance for this action on January 9, 2026:

- The Town should consider including as a condition of the area variance that the created "pole" lot must be consolidated with the created "flag" lot to ensure the proposed subdivision does not create a non-conforming lot.

We look forward to receiving notification on the final action taken by your municipality within 30 days of decision, as required by State law.

Sincerely,

A handwritten signature in black ink, appearing to read "Katherine Borgella".
