

TOWN OF ULYSSES

PLANNING BOARD

Planning Board Resolution No. 2026-014

A Resolution of Final Site Plan Approval of the Caward Site Plan Located at 1282 Taughannock Boulevard, Town of Ulysses, Tax Parcel 27.-4-7

WHEREAS, the Planning Board finds the following:

1. The proposed action is in consideration of an application for final site plan review submitted by property owner Bruce Caward for property located 1282 Taughannock Boulevard, Town of Ulysses, Tax Parcel 27.-4-7; and
2. The subject lot is zoned CZ: Conservation Zone and located within the Maplewood Glen and Lake Slopes Unique Natural Area and the Hudson and Dunkirk soils (20 to 45 percent slopes) slope overlay; and
3. The proposal is to install a new pre-built shed on the property; and
4. The action is a Type II action under the Code, Rules, and Regulations of the State of New York Title 6, Part 617 (SEQR), Section 5.c.11 "construction or expansion of a single-family residence" and Section 5.c.12 "construction of minor accessory/appurtenant residential structures" and requires no further review; and
5. The action does not require 239 review, per the Inter-Governmental Agreement made with Tompkins County 24 November 2003; and
6. Notice of the final site plan review was posted on the subject property, was posted on the Town's webpage, and was posted on the Town's Public Legal Notice Board; and
7. The Planning Board on August 4, 2026, has reviewed and accepted as adequate a site plan map entitled "Site Plan for Proposed New Detached Shed, 1282 Taughannock Blvd, July 23, 2026", prepared by the applicant, and other application materials; and
8. The Planning Board considered the review criteria listed in The Code of the Town of Ulysses, Chapter 212 Zoning, Section 19.E.2 against the proposed site plan as applicable; and
9. The Planning Board has determined that the applicant is in compliance with all other applicable provisions of the Zoning Code and other ordinances as applicable; and
10. The project is sited and designed so as to be harmonious with the surrounding area and not interfere with the development, use, and enjoyment of adjacent property; and

11. The project will ensure safe and efficient access for all site users, including pedestrians, cyclists, transit passengers, the mobility impaired, and motor vehicles, as applicable; and
12. The project will provide for the adequate protection of significant natural, cultural, heritage, and scenic assets on or near the site.

NOW, THEREFORE, THE PLANNING BOARD RESOLVES THE FOLLOWING:

The Planning Board hereby grants Site Plan Approval for the proposed site plan as described above, and as shown on the site plan noted above subject to the following condition:

Condition of Approval:

1. Temporary erosion and sedimentation control measures for construction activity must be operational prior to commencement of any work.
